

Asthma Action Plan

Work with your healthcare provider to complete this asthma action plan. Each day, find your zone based on your asthma symptoms and peak flow number. Then follow the medicine instructions below for your zone, as directed by your provider. Use your peak flow meter as often as your provider tells you.

DANGER
 CALL 911 or GO to the hospital if:

- You have trouble walking or talking, *or*
- Your lips or fingernails are blue, *or*
- You feel faint

Use your asthma action plan every day. Review your plan with your provider every 3 to 6 months. Share your plan with family, friends, teachers, coaches, neighbors, and babysitters.
