PROVIDER UPDATE

June 2021
#2021-12

To: All IMCare Providers
From: IMCare Claims Supervisor, Celeste Tarbuck
Date: June 21, 2021
RE: EFT Enrollment

Effective immediately, all IMCare providers will be required to be enrolled in and able to accept electronic funds transfer (EFT) from IMCare.

About EFT

EFT is a convenient, confidential, and secure method for receiving claim payments. With this free, paperless service provided by IMCare, funds are transferred directly into a participating provider's designated bank account. EFT offers the following benefits:

- Reduces the amount of paper in your office
- Saves time for staff-no need to go to the bank to deposit a check
- Eliminates the risk of paper checks being lost or stolen in the mail
- Allows faster access to funds-many banks credit direct deposits faster than paper checks
- Allows easier reconciliation of payments with bank statements

How to Enroll

- Go to www.imcare.org
- Select Provider and Partners, then New Facility Claim Requirements
- To enroll in EFT: Click on and complete. [Electronic Funds Transfer \(EFT\) Authorization Agreement](#)
- If you have questions about setting up and using EFT accounts, or receiving remittance advices electronically, please contact Suzanne Caldwell at suzanne.caldwell@co.itasca.mn.us or 218-327-5528 or Celeste Tarbuck at celeste.tarbuck@co.itasca.mn.us or 218-327-6118.

We value your continued participation and support in providing quality, cost-effective health care services to our members.
