

# ITASCA MEDICAL CARE (IMCare) Medicaid List of Covered Drugs (Formulary)

**Itasca Medical Care  
1219 SE 2<sup>nd</sup> Ave  
Grand Rapids, MN 55744**

**Families & Children (This is also known as the Prepaid Medical Assistance Program (PMAP)),  
MinnesotaCare, and Minnesota Senior Care Plus (MSC+)**

**Serving members in Itasca County**

---

**Member Services 218-327-6188 or 1-800-843-9536 (toll free)  
(TTY 1-800-627-3529 or 711)**

**Hours of Operation: 8:00 am – 8:00 pm Monday - Friday**

**You can also visit our website at [www.imcare.org](http://www.imcare.org)**

---

The information included in this list of covered drugs was correct as of **01/01/2022**. To get the most current information, please visit the IMCare website at [www.imcare.org](http://www.imcare.org). If you have questions, contact Member Services at the number listed on this page. You can ask for a printed copy of this Medicaid List of Covered Drugs at any time.

**PLEASE READ: THIS DOCUMENT CONTAINS INFORMATION ABOUT THE DRUGS WE COVER IN THIS PLAN.** Members must use IMCare network pharmacies to receive prescription drug benefits.

This list is subject to change and is not all-inclusive. The document is subject to state-specific regulations and rules, including, but not limited to, those regarding generic substitution, controlled substance schedules, preference for brands and mandatory generics whenever applicable. Note to existing members: This list of covered drugs has changed since last year and may change throughout the year. Please review this document to make sure the drugs you take are still on the list. Please contact Member Services at the number listed on this page with questions. You can also find updates to this list at [www.imcare.org](http://www.imcare.org).

If you have Medicare, you need to get most of your prescription drugs through the Medicare Prescription Drug Program (Medicare Part D). You must be enrolled in a Medicare prescription drug plan to get prescription drug benefits.

## Civil Rights Notice

**Discrimination is against the law. Itasca Medical Care (IMCare)** does not discriminate on the basis of any of the following:

- race
- color
- national origin
- creed
- religion
- sexual orientation
- public assistance status
- age
- disability (including physical or mental impairment)
- sex (including sex stereotypes and gender identity)
- marital status
- political beliefs
- medical condition
- health status
- receipt of health care services
- claims experience
- medical history
- genetic information

You have the right to file a discrimination complaint if you believe you were treated in a discriminatory way by Itasca Medical Care (IMCare). You can file a complaint and ask for help filing a complaint in person or by mail, phone, fax, or email at:

IMCare Compliance Coordinator  
 ATTN: Civil Rights Coordinator  
 Itasca Medical Care (IMCare)  
 1219 SE 2<sup>nd</sup> Ave  
 Toll Free: 1-800-843-9536  
 TTY: 1-800-627-3529 (MN Relay) or 711  
 Fax: 218-327-5545  
 Email: [imcarecompliance@co.itasca.mn.us](mailto:imcarecompliance@co.itasca.mn.us)

**Auxiliary Aids and Services: Itasca Medical Care (IMCare)** provides auxiliary aids and services, like qualified interpreters or information in accessible formats, free of charge and in a timely manner to ensure an equal opportunity to participate in our health care programs. **Contact** Itasca Medical Care at 1-800-843-9536 (toll free) or 1-218-327-6188 for more information.

**Language Assistance Services: Itasca Medical Care (IMCare)** provides translated documents and spoken language interpreting, free of charge and in a timely manner, when language assistance services are necessary to ensure limited English speakers have meaningful access to our information and services. **Contact** Itasca Medical Care at 1-800-843-9536 (toll free) or 1-218-327-6188 for more information.

## Civil Rights Complaints

You have the right to file a discrimination complaint if you believe you were treated in a discriminatory way by Itasca Medical Care (IMCare). You may also contact any of the following agencies directly to file a discrimination complaint.

**U.S. Department of Health and Human Services Office for Civil Rights (OCR)**

You have the right to file a complaint with the OCR, a federal agency, if you believe you have been discriminated against because of any of the following:

- race
- color
- national origin
- age
- disability
- sex
- religion (in some cases)

Contact the OCR directly to file a complaint:

Office for Civil Rights  
 U.S. Department of Health and Human Services  
 Midwest Region  
 233 N. Michigan Avenue, Suite 240  
 Chicago, IL 60601  
 Customer Response Center: Toll-free: 800-368-1019  
 TDD Toll-free: 800-537-7697  
 Email: [ocrmail@hhs.gov](mailto:ocrmail@hhs.gov)

**Minnesota Department of Human Rights (MDHR)**

In Minnesota, you have the right to file a complaint with the MDHR if you have been discriminated against because of any of the following:

- race
- color
- national origin
- religion
- creed
- sex
- sexual orientation
- marital status
- public assistance status
- disability

Contact the **MDHR** directly to file a complaint:

Minnesota Department of Human Rights  
 540 Fairview Avenue North, Suite 201  
 St. Paul, MN 55104  
 651-539-1100 (voice)  
 800-657-3704 (toll-free)  
 711 or 800-627-3529 (MN Relay)  
 651-296-9042 (fax)  
[Info.MDHR@state.mn.us](mailto:Info.MDHR@state.mn.us) (email)

**Minnesota Department of Human Services (DHS)**

You have the right to file a complaint with DHS if you believe you have been discriminated against in our health care programs because of any of the following:

- race
- color
- national origin
- religion (in some cases)

- age
- disability (including physical or mental impairment)
- sex (including sex stereotypes and gender identity)

Complaints must be in writing and filed within 180 days of the date you discovered the alleged discrimination. The complaint must contain your name and address and describe the discrimination you are complaining about. We will review it and notify you in writing about whether we have authority to investigate. If we do, we will investigate the complaint.

DHS will notify you in writing of the investigation's outcome. You have the right to appeal if you disagree with the decision. To appeal, you must send a written request to have DHS review the investigation outcome. Be brief and state why you disagree with the decision. Include additional information you think is important.

If you file a complaint in this way, the people who work for the agency named in the complaint cannot retaliate against you. This means they cannot punish you in any way for filing a complaint. Filing a complaint in this way does not stop you from seeking out other legal or administrative actions.

Contact **DHS** directly to file a discrimination complaint:

Civil Rights Coordinator  
Minnesota Department of Human Services  
Equal Opportunity and Access Division  
P.O. Box 64997  
St. Paul, MN 55164-0997  
651-431-3040 (voice) or use your preferred relay service

American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your primary care provider prior to the referral.

## IMPORTANT INFORMATION

### **What is a list of covered drugs?**

A list of covered drugs includes the prescription drugs covered by Itasca Medical Care (IMCare). The drugs on the list are selected by IMCare with the help of a team of doctors and pharmacists. IMCare will generally cover the drugs listed in the list of covered drugs as long as the drug is medically necessary, the prescription is filled at an IMCare network pharmacy, and other requirements related to the drug are followed.

Most drugs and certain supplies are available up to a 34 day supply. Certain drugs you take on a regular basis for a chronic or long-term condition are available up to a 90-day supply and are listed on the *Itasca Medical Care (IMCare) 90-day supply prescription drug list*.

### **Does the list of covered drugs ever change?**

The IMCare list of covered drugs can change during the course of a calendar year. If changes affect the coverage of a drug you are taking, IMCare will make reasonable efforts to contact you and your prescriber to tell you about the change. IMCare will also tell you about alternative drugs that are covered.

Examples of some changes that may occur are:

- A drug you are taking is no longer preferred (Go to “What is a Preferred Drug List?” below).
- A drug is removed from the list of covered drugs for safety reasons.
- Prior authorization requirements have changed. (Go to “Are there any restrictions on my coverage?”)

### **How are drugs listed in the list of covered drugs?**

There are two ways to find a drug:

- You can search alphabetically (if you know to spell the drug), or
- You can search by drug type. For example, if you are taking a medicine for acne you should look in the “Acne Products” category.

### **What is a Preferred Drug List?**

In Minnesota, all health plans are required to use the Minnesota Department of Human Services’ (DHS) Preferred Drug List (PDL). The PDL is created by DHS, in consultation with the Drug Formulary Committee, to let prescribers and members know about drugs or drug classes that are cost effective. Generally, drugs that are “preferred” are more cost effective and drugs that are “non-preferred” are less cost effective. Preferred drugs are available to members with fewer restrictions. Non-preferred drugs require a prior authorization. To get a non-preferred drug, your doctor or health care provider must get prior authorization. The PDL is included as part of IMCare’s list of covered drugs. IMCare’s complete list of covered drugs includes other drugs in

addition to those on the PDL. The PDL is available on DHS's website at <http://minnesota.magellanmedicaid.com/pdl.asp>.

### **What are generic or biosimilar drugs?**

A generic drug is approved by the Food and Drug Administration (FDA) and has the same active ingredients as the brand name drug. It produces the same clinical effect as the brand name drug.

A biosimilar drug is an FDA-approved biologic drug (most often an injectable prescription drug) that is highly similar to an already-approved biological product. It has no clinically meaningful differences in terms of safety and effectiveness. Biosimilar drugs are not the same as generic drugs, but like generics, biosimilar drugs may offer more affordable treatment options.

Generic or biosimilar substitution means a generic version or biosimilar version of a drug is given instead of the brand name or non-biosimilar version of the drug.

IMCare will cover the brand name or non-biosimilar version of the drug only when:

1. Your prescriber informs IMCare in writing that the brand name or non-biosimilar version of the drug is medically necessary; OR
2. IMCare may prefer the dispensing of certain brand-name versions over the generic or non-biosimilar version over the biosimilar version of the drug; OR
3. Minnesota law requires the dispensing of the brand name or non-biosimilar version of the drug.

Within the list of covered drugs, brand name drugs are listed under the BRAND column within the list and generic drugs are listed under the GENERIC column within the list.

### **What are over-the-counter drugs?**

Drugs and products that are available for purchase without a prescription are referred to as over-the-counter (OTC). Although an OTC product is available without a prescription, if a doctor writes a prescription for an OTC product, IMCare may cover it. Within the list of covered drugs, OTC drugs and products are identified with the letters OTC to the left of the drug or product within the list.

### **What are specialty drugs?**

Specialty drugs are used by people with complex or chronic diseases. These drugs often require special handling, dispensing, or monitoring by a specially trained pharmacist.

If you are prescribed a drug that is on the IMCare Specialty Drug List, your prescriber will need to send the prescription to one of IMCare's specialty pharmacies listed here.

Fairview Specialty Pharmacy

Phone: 612-672-5260 or 1-800-595-7140 (toll free)

TTY: 711

Fax: 1-866-347-4939

Hours of Operation: 8:00 a.m. – 4:00 p.m. Monday - Friday

Essentia Health – Specialty Pharmacy

Phone: 715-817-7145, 1-844-380-5626 (toll free) or TTY 1-800-523-1786

Fax: 218-786-7368

Hours of Operation: 8:30 a.m. – 5:00 p.m. Monday – Friday

9:00 a.m. – 1:00 p.m. Saturday

You will also need to call the specialty pharmacy where your prescription is sent to set up an account. You will need to have your IMCare member identification card when you call the specialty pharmacy.

### **What if a drug is not on the list of covered drugs?**

Not all drugs are covered. If a drug you want to take is not listed in the list of covered drugs, you can call Member Services at 1-800-843-9536, TTY 1-800-627-3529 or 711 and ask if the drug is covered. If not, it is considered a “non-formulary” drug. If you need a drug that is not included in the list of covered drugs, you can ask IMCare to make an exception to cover your drug. To ask for an exception call Member Services. A Member Services representative will work with you and your provider to help you ask for an exception.

### **Are there any restrictions on my coverage?**

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include the following:

- **Prior authorization:** IMCare requires you or your doctor to get prior authorization for certain drugs. This means that you will need to get approval from IMCare before you fill your prescription. If you don't get approval, IMCare may not cover the drug.
- **Quantity limits:** For certain drugs, IMCare limits the amount of the drug that we will cover.
- **Age requirements:** Some drugs have age requirements. A prior authorization may be needed depending on your age and the specific drug prescribed.

You can find out if your drug requires prior authorization, has quantity limits, or has an age requirement by looking in this list of covered drugs. An exception to a drug restriction or limit can be made if your doctor submits a statement or documentation supporting the request. Go to *Prescription Drugs* in Section 7: Covered Services of your Member Handbook for more information. You can also get more information about the restrictions applied to specific covered drugs by calling Member Services at 1-800-843-9536, TTY 1-800-627-3529 or 711 or by visiting our website at [www.imcare.org](http://www.imcare.org). Also go to “Can I ask for an exception to the coverage restrictions?”

- **Excluded drugs:** Some drugs are excluded from the list of covered drugs. This means they are not covered. Excluded drugs include the following:
  - Drugs used to treat sexual or erectile dysfunction
  - Drugs used to enhance fertility
  - Drugs used for cosmetic purposes, including drugs to treat hair loss

- Drugs excluded from coverage by federal or state law
- Experimental drugs, investigational drugs, or drugs not approved by the FDA
- Medical cannabis

**Can I ask for an exception to the coverage restrictions?**

Yes. You or your health care provider can get the *Medication Prior Authorization Form* from [www.imcare.org](http://www.imcare.org) or by calling Member Services at 1-800-843-9536, TTY 1-800-627-3529 or 711. Your provider must return this form to the fax number or address listed on the document. To allow for a thorough review and to ensure that you or your health care provider gets a response within 24 hours, all information requested in the form should be provided, including documentation of which medications have been tried and failed, including the dosages used and the reason for failure (e.g., side effects).

**What will a prescription cost?**

All copay information for prescriptions is listed in the Member Handbook in Section 6: Cost-Sharing. If you have additional questions, call Member Services at 1-800-843-9536, TTY 1-800-627-3529 or 711 or visit our website at [www.imcare.org](http://www.imcare.org).

## List of Covered Drugs

### Key

act	actuation	mcg	microgram
aer, aero	aerosol	meq	milliequivalent
cap	capsules	mg	milligram
